****CONSTRUCTION UPDATE****

DODGE BOULEVARD TRANSPORTATION ENHANCEMENT PROJECT: FORT LOWELL ROAD TO RIVER ROAD

Pima County, Arizona- On Tuesday, March 31, 2009, between the hours of 6:00 AM to 5:00 PM, the Pima County Department of Transportation and their contractor, The Ashton Company, will begin final striping on Dodge Boulevard from Fort Lowell Road to River Road. This work is part of the pedestrian and bicycle enhancement project on Dodge Boulevard from Fort Lowell Road to River Road.

The final striping work will take approximately four (4) working days to complete and the new bike lanes will be striped with a green thermo plastic. The purpose for the color is to delineate the width of the new bike lanes on the bridge and to slow down traffic.

Motorist can expect minor delays. Please obey the speed limit and all other traffic controls along the project limits.

In the event of mechanical failure or inclement weather, the construction schedule will be subject to change.
