

Pima County Department of Transportation

CONSTRUCTION NOTICE

Laguna Elementary School

Pedestrian Enhancement Project

The Pima County Department of Transportation, the Regional Transportation Authority and its contractor, Falcone Brothers & Associates, Inc., will begin construction on Laguna Elementary School Pedestrian Enhancement Project.

The enhancement project consists of the installation of five-foot sidewalks (ADA accessible) on Shannon Road from Royal Palm Drive to Diamond Street. Existing school crosswalks at Laguna Elementary will be relocated and there will be minor drainage improvements.

Construction is scheduled to begin on December 12, 2011.

Construction is expected to be completed in late May 2012.

During construction drivers can expect minor delays. The Pima County Department of Transportation reminds motorists to use extreme caution when traveling through the area.

Additional information available by contacting **Julie C. Simon** at (520) 740-6410.
